

## **CPR and AED WEBCAST – CV19 ALTERNATIVE**

### OVERVIEW

The CPR & AED webcast provides attendees a refresher training in basic adult CPR & AED skills. The class is delivered online via a webcast. The instructor led discussion and live demonstrations offers a unique classroom type training experience but is 100% online. A provisional attendance certificate will be issued upon completion with the expectation that once things get back to normal, hand's on skills training would be required.

Conforming to the 2020 AHA Guidelines Update for CPR and ECC, this course is flexible enough for lay responders and may be used as a refresher or primer for Adult CPR/AED & First Aid programs.

### TOPICS

- Recognizing signs & symptoms of an emergency
- EMS/911 & local EAP procedures
- Sudden Cardiac Arrest & early debrillation
- Hi-quality CPR & team response
- Choking & other respiratory emergencies

### ADDITIONAL COURSE INFORMATION
